

Care Home Insurance Policy

Care Home insurance is especially designed for care homes that provide accommodation and care.

CARE HOME

Thank you for insuring with Ansvar and we welcome you as a policyholder. We have been trading in the UK for more than 50 years with our roots firmly established as a socially responsible general insurer. Ansvar is a business division of Ecclesiastical Insurance Office plc.

Please read the policy and schedule carefully to ensure that it meets your requirements. If you need any further explanation, or if you find any mistakes, please contact your insurance advisor or us immediately.

You must tell us about any changes which affect your policy. Failure to do so could invalidate your cover. If you are not sure whether certain facts or changes are relevant please check with your insurance advisor or us.

The schedule enclosed with this policy shows your individual details. It also shows the sections of cover which are operative together with any endorsement numbers which may apply. If you have cover under an All Risks section, the item descriptions will be shown under the All Risks Specification on the schedule. The schedule is normally reissued each time there is a change under the policy.

Please note that any index-linking of sums insured within this policy only reflects general inflationary changes. It will not necessarily deal with any inflationary increases due to any particular features of your property. It remains your responsibility to ensure that the sums insured are adequate to provide full cover in the event of any damage.

Should you at any time be dissatisfied with our service, please refer to our Complaints Procedure together with details of our participation in the Financial Ombudsman Service.
