In respect of 6 (a) and (b), where **we** must provide cover under the **Road Traffic Acts** the maximum amount **we** will pay for damage to property as a result of any accident or accidents caused by a **motorcycle** or **motorcycles** ridden or used by **you** or any person insured, for which cover is provided under this section, will be:

- (i) £5,000,000 in respect of all claims resulting directly or indirectly from one originating cause, or
- (ii) such greater sum as may in the circumstances be required to meet the minimum insurance requirements of the **Road Traffic Acts**.
- (7) loss, damage injury or death directly caused by pollution or contamination unless caused by a sudden identifiable unintended and unexpected event which occurs in its entirety at a specific time and place during the **period of insurance** except where such liability is required to be covered under the **Road Traffic Acts**.

For the purposes of this exclusion, pollution or contamination means all pollution or contamination of buildings or other structures on water or land or the atmosphere.

Section 3

Emergency treatment

| Does this cover apply? | Comprehensive | Third Party Fire & Theft | Third Party Only |
|------------------------|---------------|--------------------------|------------------|
| | ✓ | ✓ | ✓ |

We will reimburse any person using **your motorcycle** for payments made under the **Road Traffic Acts** for emergency medical treatment.

A claim solely under this section will not affect your no claim discount.

Section 4

Continental use – compulsory insurance requirements

| Does this cover apply? | Comprehensive | Third Party Fire & Theft | Third Party Only |
|------------------------|---------------|--------------------------|------------------|
| | ✓ | ✓ | ✓ |

In compliance with EU directives this policy provides, as a minimum, the necessary cover to comply with the laws on compulsory insurance of **motorcycles** in:

- ☐ any country which is a member of the European Union.
- ☐ any country which the Commission of the European Communities is satisfied has made arrangements to meet the requirements of Article (8) of EC Directive 2009/103/EC relating to civil liabilities arising from the use of a **motorcycle**.

In addition to this minimum cover, the policy provides the cover shown in the **schedule** in any country in the **territorial limits**, subject to:

- ☐ **your motorcycle** being normally kept in Great Britain, Northern Ireland, the Channel Islands or the Isle of Man.
- ☐ use of **your motorcycle** for visits to countries outside Great Britain, Northern Ireland, the Channel Islands and the Isle of Man being of a temporary nature, not exceeding three months in any one trip.

Cover includes:

- ☐ transit between countries within the **territorial limits**.
- ☐ reimbursement of any customs duty **you** may have to pay on **your motorcycle** after its temporary importation into any country within the **territorial limits**, subject to your liability arising as a direct result of any loss of or damage to **your motorcycle** which is covered under Section 1 – Loss of or damage to your motorcycle.
- ☐ general Average contributions, Salvage, Sue and Labour charges while **your motorcycle** is being transported by sea between any countries within the **territorial limits**, provided that loss or damage to **your motorcycle** is covered under Section 1 – Loss of or damage to your motorcycle.

If you take your motorcycle abroad

All countries within the **territorial limits** have agreed that a **Green Card** is not necessary for cross border travel. Your **certificate of motor insurance** provides sufficient evidence of compliance with the laws on the minimum compulsory insurance of **motorcycles** in any of these countries that **you** visit.

There is no cover for countries outside the **territorial limits**. We may, however, be prepared to extend cover to certain countries on request, in which case we will provide **you** with a **Green Card** and an additional premium will be required.

Section 5

No claim discount

| Does this cover apply? | Comprehensive | Third Party Fire & Theft | Third Party Only |
|------------------------|---------------|--------------------------|------------------|
| | ✓ | ✓ | ✓ |

If no claim is made under your policy during the **period of insurance**, **we** will increase your no claim discount at your next renewal in line with the scale **we** apply at the time.

Where a claim has been made, **we** may reduce your no claim discount in line with the scale **we** apply at the time.

If a claim is made which is not your fault and **we** have to make a payment, **we** will reduce your no claim discount unless **we** can recover all sums **we** have paid from those responsible, except where:

- ☐ the accident was not your fault and the driver who caused it was uninsured and **you** have provided **us** with:
 - the vehicle registration and the make/model of the other vehicle, and
 - the other vehicle’s driver’s details, or
- ☐ **you** have protected no claim discount as shown in your **schedule**.

If your renewal is due and investigations into a claim are still on-going, **we** may reduce your no claim discount. Once our investigations are complete and **we** have confirmed that the accident was solely the fault of another driver, **we** will restore your no claim discount and refund any extra premium **you** have paid.

We do not grant no claim discount for policies running for less than twelve months. If **we** allow **you** to transfer this policy to another person, any no claim discount **you** have already earned will not apply to the person to whom the policy is being transferred.

Third Parties may claim directly against **us** as insurer in the event of an accident, involving **your motorcycle** as permitted under the European Communities (Rights Against Insurers) Regulations 2002. In these circumstances **we** deal with any claim, subject to the terms and conditions of your policy. This may affect your no claim discount.

You are reminded of your responsibilities to report any accident, injury, loss or damage to **us** as soon as possible so **we** can tell **you** what to do next and help resolve any claim.

Note

We will not reduce your no claim discount where the only payments made are for emergency medical treatment under the **Road Traffic Acts** as provided under Section 3 – Emergency treatment.

Section 6

The telephone numbers are correct at the time of printing. The date is detailed on the back cover of this policy wording.

Breakdowns on motorways

On continental motorways (including service areas) **you** **MUST** use the roadside emergency telephones. **You** cannot call **RAC** control centres from these. **You** will be connected to the police or authorised motorway service, who will send a breakdown recovery vehicle. However, this will only be to the recovery company's own depot if they cannot repair **your motorcycle** – contact **RAC** using the numbers above as soon as **you** can, if possible from the recovery company's depot.

You may have to pay labour and towing charges on the spot – an authorised tariff is normally applicable. **You** should obtain a receipt to **claim** a refund on **your** return home.

Mobile and car phones

RAC will not re-imburse the cost of any telephone calls **you** make in connection with any **Breakdown** under this policy (**including mobile phone calls**).

It may not be possible for an **RAC** control centre to call a mobile or car phone but when it is, **you** may still have to pay the cost of any international call. Some service providers charge for calls to freephone numbers. The regulations on the use of mobile and car phones vary from country to country. Please check with **your** service provider that **your** phone meets the requirements and standards for the countries in which **you** are travelling.

Services whilst abroad

Service in the UK en route to the territorial limits

If **you** are stranded on a public highway through **breakdown** of **your motorcycle** on the outward journey from **home** to **your** point of departure from the **United Kingdom** or on the inward journey from **your** point of entry to the **United Kingdom**, to **home**, **we** will provide services as if **you** were abroad.

In addition **we** will pay towards the cost of a replacement **Green Card** as necessary, to complete the planned journey if **RAC** confirms **your motorcycle** cannot be repaired within 24 hours, this is subject to a maximum contribution of £750.

Service whilst abroad

You are covered for any number of trips, each up to 90 days in duration but not for longer stays and provided the outward and return journeys are completed in the **period of insurance**.

Roadside assistance

In the event of a **breakdown** **we** will pay for the following subject to the limitations for each section as described in the following terms and conditions:

We will pay for:

- ☐ attendance of local breakdown or garage services to repair **your motorcycle** at the roadside if possible; or
- ☐ tow of **your motorcycle** from the place of **breakdown** or **accident** to the nearest local repairer where **you** may arrange repairs and either:

 - (b) inspection fees, in the event of a **breakdown**, to confirm that **your motorcycle** cannot be repaired by **your** return travel date and **your** request for assistance will include authorisation for **us** to arrange this; and
- ☐ storage charges for **your motorcycle** while awaiting repair or repatriation; and
- ☐ the cost of wheel changes but not for replacement tyres.

We will not pay for:

- (1) any labour costs other than those incurred at the roadside. **We** will not pay labour costs at any garage to which **your motorcycle** is taken other than under sections (a) and (b) above; or
- (2) repair costs, including labour, if **your motorcycle** was in an **accident**, damaged by **fire** or **theft** or is uneconomical to repair; or
- (3) the cost of parts used for roadside or garage repairs; or
- (4) the cost of any repairs not directly necessary to enable **your motorcycle** to continue the journey on the date of the **breakdown**; or
- (5) the cost of any other supplies, including but not limited to **specialist equipment**.

If the appropriate **RAC** control centre can confirm repairs to **your motorcycle** will take more than 12 hours from being notified of a **breakdown**, or if it is to be repatriated to the **United Kingdom**, then **we** will pay for either:

a) **Additional accommodation expenses**

We will pay up to £30 per person per day towards necessary additional accommodation expenses if **you** need to extend **your** stay or are not able to return to **your** booked accommodation while **you** wait for **your motorcycle** to be repaired.

We will not pay for the costs of meals and any other costs that are not specified above.

Or

b) **Journey continuation or return home**

A contribution (restricted up to the total **claims** limit) to travel expenses to allow **you** to either:

- ☐ Continue the planned journey during the period **your motorcycle** is not roadworthy.
- ☐ Return **home** by a direct route.

Expenses can comprise of self-drive car hire up to 14 days per **claim**, including **Collision Damage Waiver** and replacement **Green Card** as necessary, or second/standard class rail, or a combination of both.

RAC will decide which course of action to adopt, but **RAC** will take into consideration **your** preference.

You must collect **your motorcycle** when repaired as once **your motorcycle** is repaired and **you** have been notified, **RAC** will not pay any further expenses other than the costs of collection.

This benefit is also available if **your motorcycle** is stolen and not recovered within 24 hours of reporting the matter to the police. A police report must be obtained. However, this benefit will cease if **your motorcycle** is recovered in a roadworthy condition.

We will not pay for:

- (1) fuel, oil, personal insurance, any collection charge if a hire car is left at a different location to that arranged or any other costs in connection with self-drive hire car.
- (2) the cost of any car hire beyond the period agreed with the appropriate **RAC** control centre.
- (3) any car hire expenses after **your motorcycle** is repaired except for the direct journey to return and collect it.
- (4) first class rail fares.
- (5) any costs under this benefit if they are for a service **you** used at the same time as the above section – Additional accommodation expenses.
- (6) international drop charges where a vehicle hired from abroad is dropped within the **United Kingdom**.
- (7) the costs of hiring a **motorcycle**.
- (8) any hire costs not arranged through **RAC** or agreed by **RAC**.

You will have the following cover if **RAC** can confirm that repairs cannot be completed by **your** planned return date to the **United Kingdom** and providing the cost of repatriation is not uneconomical. (Repatriation will be uneconomical if it will cost more than the **United Kingdom market value** of **your motorcycle** according to Glass's guide or other appropriate industry standard used by **RAC**.) Cover is available for either:

a) **Motorcycle repatriation**

We will pay for the cost of taking **your motorcycle** by road transporter from abroad to **your home** or chosen **United Kingdom** repairer for repair in the **United Kingdom**.

We will also pay the costs of packing and freighting **your** baggage if **your motorcycle** is declared a write-off by **Aviva**.

When repatriation is authorised it normally takes 10–14 working days for delivery to a **United Kingdom** address from most west European countries. At busy times and from east European countries it may take longer.

We will not pay for:

- (1) **claims** for any repatriation not authorised by the appropriate **RAC** control centre.
- (2) the cost of repatriation if this is uneconomical. Repatriation will be uneconomical if it will cost more than the **United Kingdom market value** of **your motorcycle** according to Glass's guide or other appropriate industry standard used by **RAC**.
- (3) the cost of repatriation if **your motorcycle** is roadworthy.
- (4) any **claim** if **your motorcycle** is being repatriated and Customs in any country find its contents are breaking the law.
- (5) any further costs in connection with **your motorcycle** once declared a write-off by **Aviva**.

Or

We will pay the following costs up to £600 for one person to collect **your motorcycle**, repaired abroad after a **breakdown**:

- ☐ standard/second class rail fare plus other public transport fares which are necessary to reach the place of collection.
- ☐ additional homeward cross channel ferry or rail fare for the repaired **motorcycle** (calculated by taking the actual fare less the value of any unused homeward portion of **your** original cross channel ticket).
- ☐ up to £30 per night for single room hotel accommodation necessary to complete the round trip (limited to room only).

We will not pay for:

- (1) first class rail fares.
- (2) the cost of any meals.
- (3) the costs of more than one person.

Note: The appropriate **RAC** control centre will, after taking a fair and reasonable view, decide whether **your motorcycle** should be repaired abroad for **you** (or someone nominated by **you**) to return and collect.

Authority for repatriation or repair

If **your motorcycle** is not able to be ridden due to an **accident, fire, or theft**, any damage which **you** are entitled to have repaired by **Aviva** must be reported to them immediately. **Aviva** must decide whether to declare **your motorcycle** is a write-off, authorise repair abroad or have **your motorcycle** repatriated. **We** cannot repatriate **your motorcycle** unless **Aviva** first give their permission.

We also reserve the right to negotiate with **Aviva** to reclaim costs incurred. If **Aviva** cannot or do not give permission to repatriate then it is **our** decision alone whether to declare **your motorcycle** a write-off, or repatriate or repair locally a **motorcycle** which cannot be ridden due to an **accident, fire, or theft**, for which **you** do not have comprehensive cover.

Additional services

We will pay for the costs of providing the following if applicable:

Motorcycle emergency repairs

We will pay the cost of immediate emergency repairs required in the event of damage to locks caused solely by **theft** or attempted **theft** up to £175, provided **you** report the matter to the police either before contacting **us** or within 24 hours of contacting **us** and **you** have obtained a written report from the police.

We will not pay for:

- (1) the cost of repairs if they are not to make **your motorcycle** secure and for the reasons stated.
- (2) any repair costs if **you** do not obtain a police report and submit it with **your** claim.
- (3) repatriation benefits as described under the section entitled 'Motorcycle repatriation'.

Spare parts dispatch

If as a result of a **breakdown your motorcycle** needs parts but these are unavailable locally **we** will pay for:

- ☐ Freight, handling and ancillary charges for dispatch of spare parts not obtainable locally.
- ☐ The fare for one person to collect parts from the appropriate railway station or airport.

We will not pay for the cost of parts themselves, which must be paid on receipt. When telephoning **RAC** control centre **you** will be asked for **your** credit card details. Alternatively **you** will be asked to pay for the part(s) direct to the repairer.

Replacement rider

We will pay for:

- ☐ The cost of providing a replacement rider to ride **your motorcycle** and **your party** to **your** destination or **home**, if a registered doctor declares **you** medically unfit to ride and **you** are the only qualified rider.

We will not pay for:

- (1) replacement rider cost if there is another qualified rider in **your party** who is fit to ride.
- (2) more than one claim per journey abroad.

We will pay for Continental or Irish Customs claims for duty if:

- ☐ it is stolen abroad during the journey and not recovered. **RAC** will deal with Customs formalities.

To arrange, please call: **RAC** European Support, **0330 159 0342**
(Calls may be recorded and/or monitored) Monday–Friday 9am–5pm.

We will not pay any import duties not relating to **your motorcycle**.

Policy requirements and limitations

- ☐ Service in the **United Kingdom** and **territorial limits**

Credit card details

We will require your credit card details if **we** arrange a service for **you** which is not covered by the terms and conditions or if it exceeds the limits set out in the section entitled 'Terms and Conditions'. If **you** do not provide **us** with **your** credit card details **RAC** will not be able to provide certain services which will be notified to **you** when credit card details are requested.

Trailers

The maximum length of trailers must not exceed 7.6 metres. If **your motorcycle** which has suffered a **breakdown** is towing a trailer and we provide recovery, the trailer will be recovered together with **your motorcycle** to a single destination. Other than as set out in this paragraph, trailers are not covered by this section of the policy.

We do **our** best to find solutions to motoring problems but **we** regret **we** cannot arrange a replacement trailer in the event of **breakdown** or **accident** damage which cannot be repaired. It is also virtually impossible to hire vehicles with tow bars and it may become necessary to repatriate a trailer together with a towing vehicle which cannot be repaired abroad by the return date.

Unforeseeable losses or events

Except in relation to any **claim you** may have for death or personal injury, if **we** are in breach of the arrangements under this **section we** will not be liable for any losses or damages which are not a reasonably foreseeable result of any such breach, for example, loss of profit, loss of revenue or anticipated savings, loss of contracts, or for any business losses.

We do not guarantee the provision of any of the benefits under this section, if there is anything beyond **our** reasonable control or the reasonable control of any service provider which prevents **us** or a service provider from providing that benefit. Benefits may be refused if **you** or any of **your party** behaves in a threatening or abusive way to any persons providing service under this section.

Taxi bookings

In some circumstances it can be quicker and easier for **you** to arrange a taxi. **We** may ask **you** to make **your** own arrangements for taxi service. If so please send **your** receipts to **us** and **we** will reimburse **you**.

Service in the United Kingdom only

Battery related faults

For battery related faults **your** entitlements are as follows:

RAC's initial attendance for a battery related fault is included in **your** entitlement.

- ☐ the fitting of any parts or batteries purchased by **you** prior to our attendance is not covered. This is to ensure that parts are fitted from reputable sources in order to avoid secondary callouts.
- ☐ RAC will test **your** battery at that initial **breakdown** attendance. If the battery is no longer serviceable and so fails the test **you** will be advised to replace it.
- ☐ if a condemned (non serviceable) battery is not replaced, **We** may provide further assistance to a battery related fault but in this case a separate charge will apply. The charge will be payable by credit or debit card before assistance can be arranged.

Service abroad only

Service providers

Unless the services are provided by **RAC** patrols or contractors acting on **our** instructions and on **our** behalf, **we** do not give any guarantee as to the services provided by garages, breakdown/recovery companies, repairers, car hire companies and other third party service providers whose emergency services **we** arrange on **your** behalf and/or pay for under European Motoring Assistance – they do not act as **our** agents or subcontractors and **we** do not accept responsibility for their acts or omissions.

You should check that any repairs to **your motorcycle** are carried out to **your** reasonable satisfaction.

Availability of service in Eastern Europe

Every effort is made by **RAC** to make sure that a good quality service is provided in Eastern European countries but this may not necessarily be to the same standards as in Western Europe. The situation varies from country to country but time delays may occur, telephones are sometimes not available, garage facilities may be inadequate and spare parts are often not available.

Service in certain countries may become disrupted or unavailable due to prevailing political, economic, infrastructural or environmental conditions, for which **RAC** cannot accept responsibility. Information can be obtained from the Foreign & Commonwealth Office – www.fco.gov.uk.

Important self-drive hire car information

Self-drive car hire arranged under **your** cover will be subject to the normal conditions of the hiring company. These will include limitations on driver age, driving convictions and other licence penalties etc. The driver must also have held a full **United Kingdom** driving licence or equivalent for a minimum of one year (two years for France).

You credit card details will also be required as security for the hire and to cover extras such as top up of the fuel tank when returning the vehicle. Car hire companies insist on having credit card details at the time of booking and the card must be produced at the time of hiring the car. The name on the credit card and the name of the driver of the hire vehicle must be the same. Debit cards are not acceptable. If **you** leave a hire car at a different location to the one arranged by the **RAC** control centre **you** must pay any collection charge which may be made.

Please note that many car hire companies across Europe charge a damage **excess** which is not covered by the **Collision Damage Waiver**.

In some parts of Europe hire cars are not allowed to cross national borders. In Greece and eastern Europe international drop-offs are not permitted. It may be necessary therefore to arrange two hires or alternative transport to complete **your** journey. A car hired abroad must not be brought into the **United Kingdom**. A second car hire will be arranged for the **United Kingdom** part of **your** journey.

We cannot guarantee a hire car will be available.

We cannot arrange the hire of motorised caravans, motorcycles, convertibles or vehicles with tow bar, roof rack, roof boxes, automatic gearbox, sports cars, 4x4 or luxury class vehicles and cannot guarantee the hire of minibuses or vans.

We will not be responsible for any delays in obtaining a hired vehicle and cannot guarantee to provide it in time to connect with **your** pre-booked ferry, etc. **You** may have to collect a hired vehicle from the nearest available place of supply.

Repayment of credit

You must pay back to **us** on demand:

- ☐ any costs **we** have paid for which **you** are not covered under this policy section.
- ☐ the cost of any spare parts supplied.

Spares dispatch

After **you** have asked the appropriate **RAC** control centre to dispatch parts **you** are responsible for paying for them in full, even if **you** later obtain them locally.

We will arrange to dispatch parts as quickly as possible but delays will occur at weekends and bank holidays. **We** will not be responsible for manufacturers' or suppliers' errors, loss or damage of parts in transit or any delay in delivery.

General Exclusions (Service in the **United Kingdom** and territorial limits)

In addition to any limits and exclusions noted elsewhere in this section, **we** will not cover

- (1) costs for anything which was not caused by the incident **you** are claiming for.
- (2) **breakdowns** in the **United Kingdom** resulting **accidents**, vandalism, **fire** or **theft**.
- (3) **motorcycles** which have broken down as a result of taking part in any motor sport event (including, without limitations rallies or stock car racing) which takes place off the road and/or is not subject to the normal rules of the road. However, **motorcycles** participating in any event (such as a treasure hunt, touring assembly or navigational road rally), which takes place on, and comply with the normal rules of the road will be covered.
- (4) any **claim** if **your motorcycle** suffers a **breakdown** at a motor traders premises, garage or premises offering **motorcycle** repair.

- (7) any incident affecting a vehicle hired under the terms of this policy section.

- (8) routine servicing of **your motorcycle**.
- (9) the cost of a tyre specialist. **We** will arrange for **your motorcycle** to be taken to a nearby garage for assistance but **you** will have to pay for any work carried out on **your motorcycle**. Any other **recovery** may be arranged but **you** will be liable for any additional costs.
- (10) the cost of a locksmith if **you** lose or break **your ignition keys**. **You** will be responsible for the costs. If a locksmith is not available, **we** will arrange for **your motorcycle** to be taken to a nearby garage for assistance but **you** will have to pay for any work carried out on **your motorcycle**. Any other **recovery** may be arranged but **you** will be liable for any additional costs.

If the **claim** is within the **territorial limits**, **we** will be unable to provide a replacement vehicle to persons who hold only a provisional driving licence.
- (15) any **claim** which **you** have made successfully under any other insurance policy held by **you**. If the value of **your claim** is more than the amount **you** can **claim** from **your** other insurance **we** may pay the difference subject to these limits and exclusions.
- (16) any **claim** outside the **period of insurance**.
- (17) any vehicle not conforming to the following specifications:
 - (a) maximum legal laden weight of 3,500 kg (3.5 tonnes). This weight is called the Gross Vehicle Mass (GVM);
 - (b) maximum overall dimensions of: length 5.5 m; height 3 m; width 2.3 m (all including any load carried).

The maximum length of trailers must not exceed 7.6 m. If **your motorcycle** which has suffered a **breakdown** is towing a trailer and **we** provide recovery, the trailer will be recovered together with **your motorcycle** to a single destination. Other than as set out above trailers are not covered under this section. If **your motorcycle** requires repatriation **we** will arrange for repatriation of the trailer as well.

- (18) any **claim** by **you** unless **you** are **resident** of the **United Kingdom** and **your motorcycle** is registered with the relevant **Vehicle Licensing Agency**.
- (19) any **motorcycle** carrying more persons than recommended by the manufacturer or covered under the law of the country travelling in, up to 8 person's maximum (including the rider).
- (20) **your motorcycle** if it is unattended.
- (21) any **personal belongings** left in **your motorcycle** or in any trailer being towed by or used in conjunction with **your motorcycle**. **Personal belongings** are **your** responsibility.
- (22) **specialist equipment** costs. **We** will however arrange for the specialist services if needed, but **you** will have to pay for any additional costs direct to the contractor.
- (23) any costs which are not directly covered by the terms and conditions of this policy section.
- (24) **motorcycles** which were broken down/had suffered a **breakdown** or unroadworthy at the inception of **your** policy.

- (25) it is a legal requirement that **motorcycles** used or recovered with their wheels in contact with the public highway must have a valid current excise licence. Where no current excise licence is displayed **we** will attempt to repair **your motorcycle** at the roadside but will not provide any other service or benefit.

The above is not applicable to those motorcycles exempt under Section 5 of the Vehicle Excise and Registration Act 1994 or under Section 5 of the Vehicle Duty Order 2010 in Isle of Man. For further information please contact either DVLA at www.dvla.gov.uk or Vehicle Licensing, Dept of Transport for Isle of Man at www.gov.im/transport/highways/dandv/welcome.xml

- (26) the costs of any parts provided by **RAC** to repair **your motorcycle** at the roadside must be paid in full by credit/debit card at time of **breakdown** before work can commence.

- (3) **You** must notify the police as soon as reasonably possible if **your motorcycle** is lost, stolen or broken into.
- ## Cancelling this policy
- (4a) **Your right to cancel**
- Following the expiry of your 14 day statutory cooling off period, **you** continue to have the right to cancel this policy at any time during its term. If **you** do so, **you** will be entitled to a refund of the premium paid in respect of the cancelled cover, less a proportionate deduction for the time **we** have provided such cover. If **you** cancel your policy **we** will also charge a fee of up to £25.00 (plus Insurance Premium Tax where applicable) to cover our administrative costs.
- To cancel, please contact your insurance adviser, at the address shown on your **schedule**.
- (4b) **Our right to cancel**
- We** (or any agent **we** appoint and who acts with our specific authority) may cancel this policy where there is a valid reason for doing so, by sending at least 7 days' written notice to your last known postal and/or e-mail address setting out the reason for cancellation.

Valid reasons include but are not limited to the following:

- Non payment of premium. If premiums are not paid when due **we** will write to **you** requesting payment by a specific date. If **we** receive payment by the date set out in the letter **we** will take no further action. If **we** do not receive payment by this date **we** will cancel the policy from the cancellation date shown on the letter.
- Where **we** reasonably suspect fraud.
- Where **you** fail to co-operate with **us** or provide **us** with information or documentation **we** reasonably require, and this affects our ability to process a claim or defend our interests. See the 'Claims procedure' section of the General Conditions in this policy booklet.
- Where **you** have not taken reasonable care to provide complete and accurate answers to the questions **we** ask. See the 'Contract of Insurance and Information and changes we need to know about' section in this policy booklet and the separate 'Important Information' notices supplied.

If **we** cancel the policy under this section **you** will be entitled to a refund of the premium paid in respect of the cancelled cover, less a proportionate deduction for the time **we** have provided such cover, unless the reason for cancellation is fraud and/or **we** are legally entitled to keep the premium under the Consumer Insurance (Disclosure and Representations) Act 2012.

If **we** cancel the policy **we** will also charge a fee of up to £25.00 (plus Insurance Premium Tax where applicable) to cover our administrative costs.

Important Note: The Consumer Insurance (Disclosure and Representations) Act 2012 sets out situations where failure by a policyholder to provide complete and accurate information requested by an insurer allows the insurer to cancel the policy, sometimes back to its start date and to keep any premiums paid.

Where our investigations provide evidence of fraud or a serious non-disclosure **we** may cancel the policy immediately and backdate the cancellation to the date of the fraud or when **you** provided **us** with incomplete or inaccurate information, which may result in your policy being cancelled from the date **you** originally took it out.

(4c) **Return of insurance certificate**

All valid **certificates of motor insurance** must be returned/surrendered immediately following cancellation.

Other insurance

- (5) If at the time of any claim arising under this policy there is any other insurance policy covering the same loss, damage or liability, **we** will only pay our share of the claim.

This provision will not place any obligation upon **us** to accept any liability under Section 2 – Your Liability which **we** would otherwise be entitled to exclude under Exclusion 1 to Section 2.

Your duty to prevent loss or damage

- (6) All reasonable steps to safeguard **your motorcycle** from loss or damage must be taken at all times.

Your motorcycle must be maintained in a roadworthy condition.

We will be allowed to have free access to examine **your motorcycle** at all times.

Your duty to comply with policy conditions

- (7) Our provision of insurance is conditional upon all persons who seek to benefit under this policy observing and fulfilling the terms, provisions, conditions and **clauses** of this policy.

Fraud

- (8) If your claim is in any way dishonest or exaggerated **we** will not pay any benefit under this policy or return any premium to **you** and **we** may cancel your policy immediately and backdate the cancellation to the date of the fraudulent claim. **We** may also take legal action against **you**.

Payments made under compulsory insurance regulations and rights of recovery

- (9) If the law in any country in which this policy operates requires **us** to settle a claim which, if this law had not existed **we** would not be obliged to pay, **we** shall be entitled to recover such payments from **you** or the person who incurred the liability.

Direct right of access

- (10) Third parties may contact **us** directly in the event of an accident, loss or damage as allowed under the European Communities (Rights Against Insurers) Regulations 2002. In these circumstances **we** may deal with any claim, subject to the terms and conditions of your policy.

Monthly premiums

- (11) If **you** are paying monthly premiums, **you** must pay the first two monthly premiums by the date the insurance starts or the policy will not be valid. **You** must then pay one monthly premium on the same day of each month, starting in month two and ending in month eleven. When the policy is renewed, **you** must pay one monthly premium on the same day of each month, starting in month one and ending in month twelve. **We** will provide **you** with one month's cover for each monthly premium **you** pay. If **you** have paid one or more premiums but then fail to pay any premium after that, **we** will have the right to cancel the policy as set out in the General Conditions section of this policy booklet.
